

What if you were living in a house God had given you, but you really, really, wanted to move. And what if God spoke to you in a dream: “You don’t know it, but I have great plans for you: Geologists are going to drill and find oil on your property—you’ll be a millionaire! Someone driving by your home will drop a winning lottery ticket for 650 million dollars! I have great plans for you ... *but they are dependent on you staying where I’ve placed you.*” Hearing that, would you even consider moving? Wouldn’t you stay there and wait excitedly?

Greetings! I’m Jim Taylor, thanks for joining me and IN Favor Resources in this video blog, the second in a series of four, entitled **HOOSIER PROUD**: or, more specifically, **Four reasons *Why you should never, ever be embarrassed to live in Indiana***

As I’ve said, I *consistently* see this “inferiority complex”—an embarrassment, almost a *shame*. If or when Indiana is mentioned by the media, in a TV show or Hollywood production, in the news, by politicians, it is almost always negative, even insulting, and occasionally hateful.

But I’m giving you reasons why ***you should never, ever be embarrassed to live*** here— In the previous post, **Reason #1** was **BECAUSE GOD** has **CALLED YOU TO BE HERE, NOW** There are several important decisions *you didn’t make for yourself; God made them for you* Among them—**Acts 17** teaches that God decided *when* and *where* you would live If you find yourself in Indiana in 2021, *it is because God planned it that way*

So: you know God placed you here; now we’ll tell you why you should stay: we continue today with **Reason #2: BECAUSE GOD HAS GREAT PLANS FOR OUR STATE!**

How do I know? How can I be sure? Because *God told the prophets* what he’s going to do here; **Amos 3:7** says, *Surely the Sovereign LORD does nothing without revealing his plan to ... the prophets.* When God has great **plans**, he tells **the prophets**, who announce it to others, and so on.

Want to know his plan for world? Search the scriptures. Want to know his plan for Indiana? *Listen to the prophecies!* We are not making this up, it’s not a wish or a fantasy or a fable; *These are God’s promises to us*, given through prophetic words spoken over Indiana. I’ve been searching/researching/collecting/compiling prophetic words over Indiana for 7 years, and you won’t believe some of the things God said he has in mind for us!

Sit back, and soak it in: I’m going to summarize just a few of those words given to the prophets:

Here are *just a few* of the words given to us by the prophets = what God intends to do here ⇨

**DOES THIS SOUND LIKE A PLACE WHERE **YOU** WOULD WANT TO LIVE?  
ARE THESE THE KIND OF THINGS WE WANT TO SEE IN **OUR STATE**?  
Well, ALL OF THESE ARE **GOD’S PLAN** FOR INDIANA—**HE TOLD US SO!****

Does it sound too good to be true? If it truly came from God *wouldn’t you expect it to?* Remember, Jesus was disappointed in those who doubted the prophecies: In **Luke 24:25** *He said to them, "How foolish you are, and how slow of heart to believe all that the prophets have spoken!"* **Don’t make the mistake the disciples made. Believe what the prophets have spoken.**

I realize These words don’t tell us everything God knows, or even everything we’d like to know, but they do reveal to us some of God’s will for our state, they are partial blueprints for What he wants to do here, these are part of **God’s great plans for Indiana!**

I believe that “One day we’ll look back on all this and say, *‘It was all true—every word.’*”

Here are just a few of the words given by the prophets, that show us what God intends to do here:

- We are to release what he has deposited in our land through his word

So ... Are we “flyover country”? “Indiana-no-place”? “Nap-town”? Hicks and hayseeds?  
***I don't think so.*** I will **never, ever be embarrassed to live in Indiana,**  
because I know—I know **GOD HAS GREAT PLANS FOR OUR STATE!**

Perhaps the most exciting **Reason** is coming up on the next post:

**#3: YOU HAVE A PART TO PLAY IN WHAT GOD IS DOING** here in Indiana

Those big plans I just read to you? **YOU** play a big part in making them come true!  
God gave you gifts/experiences/abilities/etc. to make your own unique contribution.

(Remember **Reason #1? This is why GOD CALLED YOU TO BE HERE, NOW**)

We are not looking for a better place to live; *we are making Indiana that better place!*

And **Reason #4: BECAUSE NO PLACE IS PERFECT, BUT INDIANA IS BETTER THAN MOST**

At the end of this process, I trust that you will be more *informed* by the facts, more *impressed*  
by your state, more *intrigued* by the possibilities, more *involved* in making it all happen.

You will know you are in Indiana, in the center of God's will, fulfilling his plan for all of us.

**YOU NEED NEVER, EVER AGAIN BE EMBARRASSED TO LIVE IN INDIANA.**

**YOU CAN BE PROUD TO BE A HOOSIER.**

I am so glad, so grateful to be working with all of you to bring Indiana in line with God's favor!  
Thanks for joining me today; signing off until next time, hope to see you then.
