

*God is speaking to you!*

*... Now what?*

Prophecy for people like you and me

## There is a prophet inside you.

**Don't be alarmed**—be excited!

God is still speaking to people: every person, every minute, every day, about everything. Chances are God is speaking to you right now, and he wants you to pass it on.

**When you finish this course, you will be able to ...**

- Determine when you are hearing from the Lord, and when you are not
- "Press in" to your prophetic impressions to gain more clarity and accuracy
- Receive and evaluate prophetic words given to you by others
- Share your impressions in a way that strengthens and encourages others

**How is the class structured?**

During each 90-minute class session, we will ...

- discuss the reading
- share our individual stories
- practice listening prayer
- do group exercises that develop our ability to give and receive prophetic words
- give feedback and encouragement to each other
