

Do you have prophetic words you want to see manifest in your life, but aren't sure how to take the next step? Are you ever frustrated by the waiting and wondering when something will happen? You are not alone!

YOU ARE INVITED TO

Turning PROPHECY into DESTINY

10 am – 2 pm Saturday March 13, 2021 @ Fields of Grace Church, Roann IN

By investing four hours of your time in this workshop you will ...

- Receive the *twelve steps to responding to prophetic promises*
- Practice *discerning your words and determining ways to align with them*
- Work with other participants on *turning your promises into declarations*
- Understand more fully *how to fight for your promises* until the victory is yours
- Identify with *Biblical characters who responded* to their prophetic words in various ways.

When you leave, we believe you will know more about what God wants to do in your life, your family, your church, your community, and your state ... and how you can help make it happen. Join us as we learn to *take up the words, press into them, declare them, contend for them, and do our part to make them come true*. It's time to turn your prophecies into your destiny!
